Earned Value and Cost Control

Project Management

Code	Duration	Formats	Language	Certificate
PM-104	**5 or 10 days**	**Classroom, live online, in-house, blended**	**English or Arabic**	**Certificate of completion**

A practical project management course covering earned value principles, baselines and measurement and cost and schedule variance. Run as a 5-day core or 10-day extended programme, in 16 cities, live online or in-house, and fully customisable for your team.

About this course

Earned Value and Cost Control gives delegates a structured, practical understanding of earned value principles and baselines and measurement, then builds the skills to apply cost and schedule variance, forecasting and reporting in real work. Sessions are led by practitioners with at least 15 years in the field.

Who should attend

Project managers, engineers, planners, contract administrators and PMO staff.

What you will learn

- Earned value principles
- Baselines and measurement
- Cost and schedule variance
- Forecasting
- Reporting

5-day course outline

Day 1	**Earned value principles**	Concepts, standards and terminology, with a diagnostic exercise to baseline the group.
Day 2	**Baselines and measurement**	Methods and tools explained step by step, with worked examples from real operations.
Day 3	**Cost and schedule variance**	Hands-on practice in small groups using realistic data, cases and templates.
Day 4	**Forecasting**	Case studies of successes and failures, and how to apply the lessons in your organisation.
Day 5	**Reporting**	Integration exercise, final knowledge check and a personal action plan.

10-day extended programme

Includes the full 5-day outline, plus a second week of applied work:

Day 6	**Applied workshop: Earned value principles** — Deeper practice with your own data or site examples.
Day 7	**Applied workshop: Baselines and measurement and cost and schedule variance** — Group exercises that combine methods from week one.
Day 8	**Field case study: Forecasting** — A detailed industry case worked through from start to finish.
Day 9	**Advanced practice: Reporting** — Tools, templates and checklists to take back to work.
Day 10	**Assessed project and presentation** — Each delegate presents an improvement plan and completes the final assessment.
