A practical project management course covering PMP exam structure, people domain and process domain. Run as a 5-day core or 10-day extended programme, in 16 cities, live online or in-house, and fully customisable for your team.

About this course

PMP Exam Preparation gives delegates a structured, practical understanding of PMP exam structure and people domain, then builds the skills to apply process domain, business environment and practice exams in real work. Sessions are led by practitioners with at least 15 years in the field.

What you will learn

- PMP exam structure
- People domain
- Process domain
- Business environment
- Practice exams

Who should attend

Project managers, engineers, planners, contract administrators and PMO staff.

5-day course outline

Day 1	**PMP exam structure**	Concepts, standards and terminology, with a diagnostic exercise to baseline the group.
Day 2	**People domain**	Methods and tools explained step by step, with worked examples from real operations.
Day 3	**Process domain**	Hands-on practice in small groups using realistic data, cases and templates.
Day 4	**Business environment**	Case studies of successes and failures, and how to apply the lessons in your organisation.
Day 5	**Practice exams**	Integration exercise, final knowledge check and a personal action plan.

10-day extended programme

Includes the full 5-day outline, plus a second week of applied work:

Day 6	**Applied workshop: PMP exam structure** — Deeper practice with your own data or site examples.
Day 7	**Applied workshop: People domain and process domain** — Group exercises that combine methods from week one.
Day 8	**Field case study: Business environment** — A detailed industry case worked through from start to finish.
Day 9	**Advanced practice: Practice exams** — Tools, templates and checklists to take back to work.
Day 10	**Assessed project and presentation** — Each delegate presents an improvement plan and completes the final assessment.
