A practical public sector and governance course covering smart city concepts, digital government services and data platforms. Run as a 5-day core or 10-day extended programme, in 16 cities, live online or in-house, and fully customisable for your team.

About this course

Smart Cities and Digital Government gives delegates a structured, practical understanding of smart city concepts and digital government services, then builds the skills to apply data platforms, citizen engagement and governance in real work. Sessions are led by practitioners with at least 15 years in the field.

Who should attend

Government officials, board members, compliance, risk, legal and policy professionals.

What you will learn

- Smart city concepts
- Digital government services
- Data platforms
- Citizen engagement
- Governance

5-day course outline

Day 1	**Smart city concepts**	Concepts, standards and terminology, with a diagnostic exercise to baseline the group.
Day 2	**Digital government services**	Methods and tools explained step by step, with worked examples from real operations.
Day 3	**Data platforms**	Hands-on practice in small groups using realistic data, cases and templates.
Day 4	**Citizen engagement**	Case studies of successes and failures, and how to apply the lessons in your organisation.
Day 5	**Governance**	Integration exercise, final knowledge check and a personal action plan.

10-day extended programme

Includes the full 5-day outline, plus a second week of applied work:

Day 6	**Applied workshop: Smart city concepts** — Deeper practice with your own data or site examples.
Day 7	**Applied workshop: Digital government services and data platforms** — Group exercises that combine methods from week one.
Day 8	**Field case study: Citizen engagement** — A detailed industry case worked through from start to finish.
Day 9	**Advanced practice: Governance** — Tools, templates and checklists to take back to work.
Day 10	**Assessed project and presentation** — Each delegate presents an improvement plan and completes the final assessment.
